

Cost-Effective Constant Voltage Spotless COB LED Strips

Model: FLEX CV 24V WW COB CES SA IP20

Description

This cost-effective COB Flexstrip offers versatile, high-quality lighting at an economical price. It can be cut to custom lengths and installed in nearly any indoor or outdoor application. With smooth, continuous illumination, it pairs perfectly with aluminum channels for clean diffusion and professional finishes. Fully dimmable and compatible with remotes, wall switches, and Wi-Fi controls, it delivers the right light exactly where you need it, making it ideal for both homes and businesses.

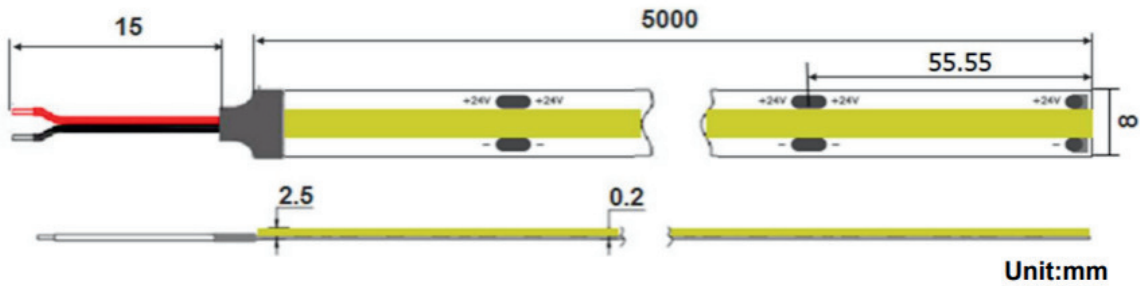

Application

- Undercabinet
- Toe kicks
- Wine rooms
- Display cases
- Stairways
- Accents
- Vehicles
- And more
