

Hyperion Low-profile Canopy Light

Model Data			
Model	CP-ST-01A-50W-50K-UNV-CM	CP-ST-01A-60W-50K-UNV-CM	CP-ST-01A-75W-50K-UNV-CM
Wattage	50W	60W	75W
Lumens	4,640	6,960	8,700
CCT	5000K		
CRI	>80		
Efficiency	116 Lumens / Watt		

About

The Hyperion low profile canopy light is a quality design in a sleek package. With instant-on technology from the quality MeanWell LED driver and IP65-rated, this luminaire is suitable for many applications. Providing similar light output at a fraction of traditional HID power draw, these luminaires are ideal for garages, gas stations, overhangings and canopies.
